2. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE SUBSCRIBER

The Subscriber represents and warrants to, and agrees and covenants with, the Company as follows:

- 2.1. The Subscriber recognizes that the purchase of the Securities involves a high degree of risk, including without limitation, because: (i) an investment in the Company is highly speculative and only investors who can afford the loss of their entire investment should consider investing in the Company and the Securities; (ii) the Subscriber may never be able to liquidate his investment; (iii) transferability of the Securities is extremely limited; and (iv) the Company may be subject to additional risks, as more fully set forth herein and in the Memorandum, that could reduce or eliminate the value of any investment in the Company.
- 2.2. The Subscriber acknowledges that the Securities are not registered under the Securities Act or any state securities laws. The Subscriber understands that the offering and sale of the Securities is intended to be exempt from registration under the Securities Act, by virtue of the provisions of Regulation D promulgated thereunder, based, in part, upon the representations, warranties and agreements of the Subscriber contained in this Subscription Agreement and the information contained in the Accredited Investor Verification Letter provided to the Company by Subscriber's attorney, CPA, broker-dealer, or registered investment advisor.
- 2.3. The Subscriber represents and warrants that the Subscriber is able to bear the economic risk of an investment in the Securities and acknowledges the inherent fluctuating market and economic risks of the business of the Company. The Subscriber further represents and warrants that the information furnished by the Subscriber to Subscriber's attorney, CPA, broker-dealer, or registered investment advisor for the purposes of such person's verification of Subscriber's status as an Accredited Investor for the Accredited Investor Verification Letter is accurate and complete in all material respects.
- 2.4. The Subscriber acknowledges that the Subscriber has prior investment experience, including investment in non-listed and non-registered securities, and that the Subscriber recognizes the highly speculative nature of this investment. The Subscriber acknowledges that it is able to bear the financial risks associated with an investment in the Securities and has sufficient knowledge and experience in investing in companies similar to the Company in terms of the Company's stage of development so as to be able to evaluate the risks and merits of its investment in the Company. The subscriber further acknowledges that as a sophisticated, experienced investor, Subscriber has not utilized the services of a "Purchaser Representative" as defines in Regulation D of the Act.
- 2.5. The Subscriber acknowledges receipt and careful review of the Memorandum and all exhibits thereto (collectively, the "Offering Documents"), and understands fully to Subscribers full satisfaction all information included in the Offering Documents and further understands that these materials, and the facts concerning the Company and the Securities reasonably understood to underlie these materials, may change or may have changed after the date of such materials and the date of this Subscription Agreement, and that the Company is under no obligation to, and shall not, update any such materials for the Subscriber to reflect any changes.

- 2.6. The Subscriber represents and warrants that Subscriber has been furnished, by the Company, during the course of this transaction, with all information regarding the Company which the Subscriber has requested or desires to know, and that the Subscriber has been afforded the opportunity to ask questions of and receive answers from duly authorized officers or other representatives of the Company concerning the Company and Securities or Subscriber has waived the opportunity to do so.
- 2.7. The Subscriber represents that the Securities are being purchased for the Subscriber's own account, for investment and not for distribution or resale to others. The Subscriber agrees that the Subscriber will not sell or otherwise transfer the Securities unless they are registered under the Securities Act and all applicable state securities laws or unless an exemption from such registration is available. The Subscriber does not have a present intention to sell the Securities, nor a present arrangement (whether or not legally binding) or intention to effect any distribution of the Securities to or through any person or entity; provided, however, that by making the representations herein, the Subscriber does not agree to hold the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with federal and state securities laws applicable to such disposition.
- 2.8. The Subscriber agrees and consents that the Company may, if it desires, permit the transfer of Securities by the Subscriber only when the Subscriber's request for transfer is accompanied by an opinion reasonably acceptable to the Company of legal counsel experienced in the U.S. securities laws and reasonably acceptable to the Company that the proposed transfer will not result in a violation of the Securities Act or any applicable state securities laws (collectively "Securities Laws").
- 2.9. The Subscriber consents to the placement of a legend on any certificate or other document evidencing the Securities, stating that they have not been registered under the Securities Act and setting forth or referring to the restrictions on transferability thereof.
- 2.10. The Subscriber acknowledges that this offering of Securities may involve tax consequences and that the contents of the Offering Documents do not contain tax advice or information. The Subscriber represents and acknowledges that Subscriber is not relying on the Company or any of its employees or agents with respect to the legal, tax, economic and related considerations of an investment in the Securities and Subscriber has relied on the advice of, or has consulted with, Subscriber's own professional advisors to evaluate the tax and other consequences of an investment in the Securities.
- 2.11. The Subscriber represents that Subscriber is an accredited investor as defined in Rule 501(a) of Regulation D under the Securities Act, and makes this representation and warranty after having reviewed such definition, including as set forth in Annex A to this Subscription Agreement.
- 2.12. The Subscriber represents that Subscriber either: (i) is not required to be registered as a broker-dealer under Section 15 of the Securities Exchange Act of 1934; or (ii) is a Registered Representative of a FINRA member firm. If the Subscriber is a Registered Representative of a FINRA member firm, the Subscriber must give such firm the notice required by the FINRA Rules of Fair Practice, receipt of which must be acknowledged by such firm on the signature page hereof.
- 2.13. The Subscriber further makes the representations and warranties to the Company set forth in the Investor Qualification Questionnaire.
- 2.14. If the undersigned Subscriber is a partnership, corporation, trust or other entity, such partnership, corporation, trust or other entity represents and warrants that: (i) it was not formed for the purpose of investing in the Company; (ii) it is authorized, has the power to and is otherwise duly qualified to purchase and hold the Securities; and (iii) this Subscription Agreement has been duly and validly authorized, executed and delivered and constitutes the legal, binding and enforceable obligation of the undersigned.
- 2.15. The Subscriber: (i) has full power and authority to execute and deliver this Subscription Agreement and all other related agreements or certificates and to carry out the provisions hereof and thereof; (ii) if a natural person, has reached the age of 21; (iii) if a corporation, partnership, trust or other entity, is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and the

consummation of the transactions contemplated hereby will not result in a violation of law or its charter or other organizational documents; and (iv) if executing this Subscription Agreement in a representative or fiduciary capacity, represents and warrants that he, she or it has full power and authority to execute and deliver this Subscription Agreement in such capacity and on behalf of the subscribing individual, ward or corporation, partnership, trust or other entity for whom the Subscriber is executing this Subscription Agreement, that such individual, ward, corporation, partnership, trust or other entity has full right and power to perform pursuant to this Subscription Agreement and make an investment in the Company and that this Subscription Agreement constitutes a legal, valid and binding obligation of such individual, ward, corporation, partnership, trust or other entity.

- 2.16. The execution and delivery of this Subscription Agreement will not violate or be in conflict with any order, judgment, injunction, agreement or controlling document to which the Subscriber is a party or by which it is bound.
- 2.17. The Subscriber hereby authorizes and directs the Company to deliver certificates representing the Securities to be issued to such Subscriber pursuant to this Subscription Agreement either to the residential or business address provided by the Subscriber to the Company.
- 2.18. The Subscriber hereby authorizes and directs the Company to return any funds for unaccepted subscriptions to the same account from which the funds were drawn.
- 2.19. If the Subscriber is not a United States person, such Subscriber hereby represents that it has satisfied itself as to the full observance of the laws of all applicable jurisdictions in connection with any invitation or offer to subscribe for the Securities and any and all other transactions contemplated under this Subscription Agreement, including: (i) the legal requirements within all applicable jurisdictions for the purchase of the Securities; (ii) any foreign exchange restrictions applicable to such purchase; (iii) any governmental or other consents required to be obtained; and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Securities. Such Subscriber's subscription and payment for, and the Subscriber's continued beneficial ownership of, the Securities will not violate any applicable securities laws or other laws of all applicable jurisdictions.
- 2.20. **Regulatory History of the Placement Agent** - The Subscriber (undersigned) agrees to maintain in confidence any non-public information disclosed to the undersigned in connection with the purchase of the Securities. The undersigned represents that, as required by the new disclosure requirements under SEC Regulation D, Rule 506 (e), it has been called to the undersigned's attention that the officers of the placement agent has, in the past, been temporarily suspended from membership in the Financial Industry Regulatory Authority (FINRA).
